

Lakeland Sketchbook Price Guide 2019

Pictures are pastel and/or charcoal on paper and are unframed.
 Sizes are close but approximate.

Prices are as indicated (plus P&P), though, as they need to find appreciative homes you could 'make an offer'.

Pastel drawings are fragile so you are advised to have them framed (in a mount under glass) soon after receipt. If you prefer, we can arrange to have them framed locally before posting.
